1. Statement of purpose

1.1 This Code of Conduct aims to provide guidance on the minimum expected standards of behaviour that all South Brockwells Farm staff, volunteers, (contractors and staff supplied by a third party, should observe. These groups are referred to hereinafter as staff.

1.2 South Brockwells Farm Partnership aims to create a culture which proactively prioritises the safeguarding and health and wellbeing of both staff and pupils; creates a working environment and culture that is positive, supportive and inclusive; and in turn facilitates the safety, happiness and attainment of pupils. Staff have an individual responsibility to prioritise the safeguarding and wellbeing of both pupils and colleagues.

1.3 All staff are expected to act with personal and professional integrity at all times, respecting the safety and wellbeing of others.

1.4 Many of the principles in this Code of Conduct are based on statutory obligations within the Teachers' Standards. South Brockwells Farm Partnership expects that all teachers will act in accordance with the personal and professional behaviours set out in the Teachers' Standards.

1.5 Please note that this Code of Conduct is not exhaustive. Other responsibilities expected of staff and volunteers are set out in other South Brockwells Farm policies, as appropriate. Staff and volunteers are expected to be aware of and follow South Brockwells Farm policies, and to complete mandatory training, including refresher training, on a timely basis.

1.6 If situations arise that are not covered by this Code of Conduct, staff and volunteers will use their professional judgement and act in the best interests of South Brockwells Farm Partnership.

2. Legislation and guidance

2.1 In line with the statutory safeguarding guidance (i.e. Keeping Children Safe in Education 2023), the South Brockwells Farm Partnership is required to have a staff code of conduct or staff behaviour policy, which should cover acceptable use of technologies including use of mobile devices, staff/pupil relationships and communications, including the use of social media.

3. General obligations

3.1 South Brockwells Farm Partnership's values are the key things all staff should live by through our roles as staff and volunteers, i.e:

- Explore
- Inspire
- Provide an opportunity to Reset
- Develop

3.2 Our staff and volunteers are expected to consistently model behaviour that set a positive example within our South Brockwells Farm Partnership community and demonstrate high standards of conduct in order to encourage our pupils to do the same.

3.3 Staff and volunteers are also obliged to Inform the Director of Education of any cautions, convictions or relevant orders accrued during their employment, and/or if they are charged with a criminal offence.

3.4 Failure to follow the Staff Code of Conduct may result in disciplinary action. Sanctions include, but are not limited to, dismissal.

4. Safeguarding

4.1 Staff are accountable for the way in which they:-

- exercise authority
- manage risk
- use resources
- and safeguard children.

4.2 All staff have a responsibility to keep children safe and to protect them from abuse (sexual, physical, and emotional), neglect and safeguarding concerns. Children have a right to be safe and to be treated with respect and dignity. It follows that South Brockwells Farm Partnership adults are expected to take reasonable steps to ensure their safety and wellbeing. Failure to do so may be regarded as professional misconduct.

4.3 South Brockwells Farm staff will familiarise themselves with the Safeguarding Policy and procedures and must know who the SBF Designated Safeguarding Lead (DSL) and Person (DSP) is. The Safeguarding Policy and procedures will be shared with all staff on induction and are available on the South Brockwells Farm website. Regular training updates will also be shared with all staff. All staff are required to actively engage in professional development opportunities.

4.4 All staff who have contact with pupils should read and demonstrate understanding of Keeping Children Safe in Education 2023 Part 1 and Annex B. All staff who do not have contact with children (e.g. Site maintenance departments) should read and demonstrate understanding of Annex A. The DSP must further read and understand all additional sections of KCSIE 2023.

4.5 All staff must ensure that they are aware of the processes to follow if they have concerns about a child. **Information will be available on the team member noticeboard**, and the South Brockwells Farm website. Staff working with children must maintain an attitude of 'it could happen here' where safeguarding is concerned. When concerned about the welfare of a child, staff should always act in the best interests of the child. If staff have any concerns about a child's welfare, they should act on them immediately and raise concerns with the DSP in line with the South Brockwells Farm Safeguarding Policy.

4.6 All staff must fulfil the Prevent Duty to protect children from the risk of radicalisation. Prevent training should be undertaken every 2 years. All staff have a duty to report suspected Female Genital Mutilation (FGM) cases to the DSP. All staff must report known FGM acts to the police.

4.7 All staff should be aware that children can abuse other children (often referred to as child on child abuse). It can happen both inside and outside of school and online. It is essential that all staff recognise the indicators and signs of child on child abuse and know how to identify it and respond to reports. Staff must challenge inappropriate behaviours between peers (whether children or adults); South Brockwells Farm Partnership has a zero-tolerance approach to abuse. Sexual violence and sexual harassment are never accepted and will not be tolerated.

4.8 Allegations that may meet the harm threshold:-

4.8.1 South Brockwells Farm Partnership has an open and transparent culture in which all concerns about adults working in or on behalf of South Brockwells Farm Partnership are dealt with appropriately to safeguard children.

- All allegations in relation to staff, contractor or volunteers must be reported to the Designated Safeguarding Lead (DSL).
- Where applicable the DSL will raise concerns and seek further advice from SPOA to agree a course of action (See Safeguarding Policy).

4.8.2 This section applies to all cases in which it is alleged that anyone working in the Farm School has:-

- Behaved in a way that has harmed a child, or may have harmed a child, and/or
- Possibly committed a criminal offence against or related to a child, and/or
- Behaved towards a child or children in a way that indicates they may pose a risk of harm to children, and/or
- Behaved or may have behaved in a way that indicates they may not be suitable to work with children – this includes behaviour taking place inside or outside of school

South Brockwells Farm Partnership will deal with any such allegation quickly and in a fair and consistent way that provides effective child protection while also supporting the individual who is the subject of the allegation.

4.9 Low-level concerns about adults

4.9.1 A low-level concern is a behaviour towards a child by a member of staff that does not meet the harm threshold, is inconsistent with the staff code of conduct, and may be as simple as causing a sense of unease or a 'nagging doubt'. For example, this may include:-

- Being over-friendly with children
- Having favourites
- Taking photographs of children on a personal device
- Engaging in 1-to-1 activities where they can't easily be seen
- Humiliating pupils

4.9.2 Low-level concerns can include inappropriate conduct inside and outside of work. All staff should share any low-level concerns they may have with the DSL. South Brockwells Farm Partnership also encourages staff to self-refer if they find themselves in a situation that could be misinterpreted. If staff are not sure whether behaviour would be deemed a low-level concern, they are encouraged to report it to the Director of Education.

4.9.3 All reports will be handled in a responsive, sensitive and proportionate way. Unprofessional behaviour will be addressed, and the staff member supported to correct it, at an early stage. This creates and embeds a culture of openness and transparency in which our values and expected behaviour are constantly lived, monitored and reinforced by all staff, while minimising the risk of abuse.

5. Whistleblowing

5.1 In instances where safeguarding concerns raised through the Safeguarding Policy and procedures have not been responded to through normal processes, staff should raise concerns through to the Partners via office@southbrockwellsfarm.com

5.2 Whistleblowing reports wrongdoing that it is “in the public interest” to report. Examples linked to safeguarding include:

- Pupils’ or staff’s health and safety being put in danger
- Failure to comply with a legal obligation or statutory requirement
- Attempts to cover up the above, or any other wrongdoing in the public interest

5.3 Staff are encouraged to report suspected wrongdoing as soon as possible. Their concerns will be taken seriously and investigated, and their confidentiality will be respected.

5.4 Staff should consider the examples above when deciding whether their concern is of a whistleblowing nature. Consider whether the incident(s) was illegal, breached statutory or school procedures, put people in danger or was an attempt to cover any such activity up.

6. Staff/pupil relationships

6.1 Staff will observe proper boundaries with pupils that are appropriate to their professional position. They will act in a fair and transparent way that would not lead anyone to reasonably assume they are not doing so.

6.2 Any sexual behaviour by a member of staff with or towards a child is unacceptable. It is an offence under section 16 of The Sexual Offences Act 2003 for a member of staff in a position of South Brockwells Farm Partnership to engage in sexual activity with a child under 18 years of age, even if the relationship is consensual. Sexual activity with a child will be a matter for criminal and/or disciplinary procedures.

6.3 Children are protected by the same laws as adults in relation to non-consensual sexual behaviour. They are additionally protected by specific legal provisions depending on their age and understanding. This includes the prohibition of sexual activity with children by adults in a position of South Brockwells Farm Partnership even if that relationship is consensual.

6.4 If staff members and pupils must spend time on a one-to-one basis, staff will ensure that:-

- This takes place in a public place that others can access
- Others can see into the room
- A colleague or line manager knows this is taking place

6.5 Staff should normally not have one-to-one contact with pupils outside of school hours. It is recognised that this may occur through mutual membership of social groups; family connections; activities such as tutoring; or involvement as a volunteer (e.g. Scouts, Girlguiding, etc.). Staff should not assume the South Brockwells Farm Partnership is aware of such connections and should declare any such relationships to the Director of Education.

6.6 Personal contact details should not be exchanged between staff and pupils. This includes social media profiles.

6.7 While South Brockwells Farm Partnership is aware many pupils and their parents may wish to give gifts to staff, for example, at the end of the academic year, gifts from individual staff to individual pupils are not acceptable.

6.8 If a staff member is concerned at any point that an interaction between themselves and a pupil may be misinterpreted, this should be reported at the earliest opportunity to the Director of Education.

7. Communication and media (including social media)

7.1 All staff members should be aware of, and follow, South Brockwells Farm Partnership-wide Social Media Policy.

7.2 All staff members should be aware of, and follow, South Brockwells Farm Partnership-wide consent process when using photos of children for internal and external use.

7.3 All staff are not permitted to deal with local, regional, or national media companies unless prior agreement (in writing) has been given by the Director of Education.

7.4 Local, regional, or national media companies are not permitted on site unless prior agreement (in writing) has been given by the Director of Education.

8. Confidentiality

8.1 In the course of their role, staff are often privy to sensitive and confidential information about the South Brockwells Farm Partnership, staff, pupils and their parents or carers which will be dealt with in accordance with the Data Protection Policy and Privacy and Confidentiality Policy.

8.2 This does not override staff's duty to report child protection concerns to the appropriate channel where staff believe a child is at risk of harm in line with the Safeguarding Policy.

9. Honesty and integrity

Staff should maintain high standards of honesty and integrity in their role. This includes when dealing with pupils, handling money, claiming expenses and using South Brockwells Farm Partnership property and facilities.

10. Dress and appearance

South Brockwells Farm Partnership recognises that dress and appearance are matters of personal choice and self-expression. Staff should dress in a manner that is appropriate to their role as a professional and that promotes a professional image. Staff should speak with the Director of Education should they require any protective clothing to complete their job safely. Staff will also ensure that their dress, including any jewellery or piercings is safe and appropriate for their working environment.

11. Conduct outside of work

Staff will not act in a way that would bring the South Brockwells Farm Partnership, or the teaching /care farming profession into disrepute. This covers relevant criminal offences, such as violence or sexual misconduct, as well as negative comments about the South Brockwells Farm Partnership, in the media (including social media).
