## 1. About this document

All staff at South Brockwells Farm School fully recognise the responsibilities and duty placed upon them to have arrangements to safeguard and promote the welfare of all children & young people in their care and at times, this will include lone working with children and young people. It is recognised that all staff, including volunteers, have a full and active part to play in protecting them from harm.

Lone working is any activity that requires an employee working on their own or without close or direct supervision.

Lone working may occur during the evening, at the weekend or during the holidays and may be dangerous due to acts of aggression or violence by others, allegations of abuse from young people or their families, hazards in the workplace or the lack of help should an accident or illness occur.
